

FC MIDTJYLLAND OFFERS A STUDY PROGRAMME AS A SPORTS SCIENTIST IN THE PERIOD FROM JULY 1, 2025, TO JUNE 30, 2026 IN COLLABORATION WITH ISI HØJSKOLEN.

Do you want to be part of the most innovative football club in Scandinavia next season? FC Midtjylland, in collaboration with ISI Højskole, offers a unique study programme aimed at aspiring Sports Scientists who want to turn theory into practice and build a career in the football industry.

We are looking for open-minded, punctual, independent, creative, and dedicated individuals who are eager to learn and contribute in a high-performance football environment. The study programme combines practical, hands-on experience at FC Midtjylland's training ground with formal education and personal development at ISI Højskole.

WHO CAN APPLY?

We welcome applications from individuals currently enrolled in or recently graduated from a relevant sports or science-based educational programme.

STUDY PROGRAMME OVERVIEW

As a Sports Science student in this programme, you'll work closely with the performance and sport science departments at FC Midtjylland. You'll contribute to data collection, testing, and reporting across the academy and first team. You'll also take part in key projects that support the club's physical and performance development.

ROLE DESCRIPTION:

The Sport Science student works alongside sport science personnel, mainly supporting the Sport Science department's operations within the U17 and U19 teams and assisting first team. Working under the guidance of the senior staff, the student is responsible for executing tasks and delivering services that align with the club's high-performance culture. This role emphasizes practical application and accurate delivery using the tools and protocols provided by the department.

KEY TASKS:

- Training session coverage.
- Data handling and reporting.
- Technology and resource utilization.
- Learning and knowledge sharing.

EDUCATIONAL COMPONENT AT ISI HØJSKOLE

Alongside your practical work at FCM, you will attend courses at ISI Højskole. Here, you will:

- Complete the UEFA C Coaching License
- Learn about FCM's Style of Play
- Explore specialist football disciplines
- Gain insights into Danish football culture
- Live and learn in a professional and supportive environment

ADDITIONAL INFORMATION

- **Language:** Fluency in English (spoken and written) is an advantage
- **Personality:** We value curiosity, initiative, and a team-oriented mindset
- **Location:** Accommodation is provided at IBF Arena, right next to the FCM training ground (single rooms)
- **Financials:** The study programme is unpaid, but all board and lodging are covered
- **Start Date:** June 19, 2025
- **Duration:** 12 months

HOW TO APPLY

Please send your application no later than April 28, 2025, to: Niklas Virtanen – Head of Sport Science nvi@fcm.dk. For questions or more information, feel free to reach out to the same email.
