

FC MIDTJYLLAND OFFERS A STUDY PROGRAMME AS A ACADEMY VIDEO ANALYST IN THE PERIOD FROM JULY 15, 2025 TO JUNE 30, 2026 IN COLLABORATION WITH ISI HØJSKOLEN.

Do you want to be part of the most innovative football club in Scandinavia next season? FC Midtjylland, in collaboration with ISI Højskole, offers a unique study programme aimed at aspiring Academy Video Analyst who want to turn theory into practice and build a career in the football industry.

We are looking for open-minded, punctual, independent, creative, and dedicated individuals who are eager to learn and contribute in a high-performance football environment. The study programme combines practical, hands-on experience at FC Midtjylland's training ground with formal education and personal development at ISI Højskole.

WHO CAN APPLY?

We welcome applications from individuals currently enrolled in or recently graduated from a relevant sports or data-based educational programme.

STUDY PROGRAMME OVERVIEW

As a Academy Video Analyst student in this programme, you'll work closely with the performance analysis department at FC Midtjylland. You'll contribute to video collection, coding, and reporting across the academy. You'll also take part in key projects that support the club's performance development.

YOUR MAIN RESPONSIBILITIES WILL INCLUDE:

- Responsible for video collecting for U17 and U19
- HUDL.com responsible
- Coding individual actions on training and games
- Providing video content to academy staff and players

EDUCATIONAL COMPONENT AT ISI HØJSKOLE

Alongside your practical work at FCM, you will attend courses at ISI Højskole. Here, you will:

- Complete the UEFA C Coaching License
- Learn about FCM's Style of Play
- Explore specialist football disciplines
- Gain insights into Danish football culture
- Live and learn in a professional and supportive environment
