# FC MIDTJYLLAND'S MEDIA DEPARTMENT IS SEARCHING FOR A VIDEOGRAPHER

FC Midtjylland are searching for a talented and creative videographer, to be a part of the club's media department, creating content for our national and international fanbase on social media and other digital platforms.

This role is a unique chance to be part of a highly ambitious, innovative, and growing football club, with lots of responsibility and creativity. We want you to play a part in developing the brand of Scandinavia's most innovative club.

**We expect:**
• A creative thinker, seeking inspiration from both inside and outside the football industry.
• Experience devising, producing, and editing high class video content.
• High proficiency with video production equipment, preferably Sony.
• High proficiency with editing tools such as Adobe Premiere/Final Cut Pro, and general understanding of After Effects/Photoshop.
• Ability to work under pressure, with tight deadlines and flexible schedules.
• English language proficiency.
• Previous work in a similar role at a sports team is a plus.
• General knowledge of football is a plus.
• A driving license is a plus.

**You Will:**
• Create video content for FC Midtjylland's social media platforms in a variety of different ways, including training sessions, match footage, interviews, behind the scenes content etc.
• Support the club's content creation with creative ideas and innovative thinking.
• Occasionally produce commercial content in collaboration with the commercial department, which can include marketing campaigns, sponsored productions etc.
• Be open to work a flexible schedule to accommodate the untraditional working hours in the football industry, which includes working on matchdays, travelling to away games, training camps, European fixtures etc.

This is a full-time position, where you will be based at our training facility in Ikast. Please apply to lmu@fcm.dk with the subject line "Videographer" no later than **May 27**, preferably with some examples of previous work.

Any questions regarding this position can be sent simultaneously.
